Description

Beautifully hand-crafted from tightly woven rattan in 2 colors, our set of 2 beautiful sturdy round baskets with handsome rope handles are practical yet decorative. Classic in design and workmanship, these baskets are a must have. A perfect option for laundry rooms, living rooms and bedrooms with multiple uses.

Rattan is a close relative of the palm tree. It is a type of a vine that rapidly grows in the jungles of South East Asia. It grows in the shape of a pole, and its diameter varies between one to three inches. Rattan is one of the strongest woods with a strong core and is thus durable and hard to break.

Assorted style baskets are available in various sizes and shapes.
